### **MINUTES OF THE SANGAMON COUNTY LEPC MEETING - JUNE 6, 2002**

The meeting was called to order at 8:30 a.m. at the Office of the State Fire Marshal, 1035 Stevenson Drive by David Butt, Chairman. Members present were: John Brennan, Memorial Medical Center; David Butt, Sangamon County ESDA; Brian Churchill, St. John=s Hospital; Ray Cooke, Springfield Department of Public Health; Tom Fraase, Sangamon County Board; Bill Russell; Sangamon County Rescue Squad; Kevin Switzer, Springfield Fire Department

A motion by Brian Churchill, seconded by John Brennan, the minutes of the April 4, 2002, meeting were approved as written.

#### **OLD BUSINESS**

A discussion was held on media representation on the committee. An interest was raised concerning local agency media relations. It was announced that an IEMA workshop would be held on July 16, 17, 18, at the CWLP training center. David Butt should be contacted. Several media candidates were given.

#### **NEW BUSINESS**

A report was given on the Winnebago County LEPC Conference in May. A concern was raised that southern Illinois representation may have been light.

Airport Exercise - The June 3, 2002, airport exercise was reviewed. Doffit Decon Kits (\$20 each from Hazmat DQE) were discussed as a good way to provide privacy for contaminated civilians who need to undress for decontamination.

A \$15,000.00 Department of Justice grant will be discussed at the next Sangamon County Board meeting. It is for hazmat equipment which will be given to the Springfield Fire Department.

One Tier II report was received, bring the total number of reports received up to 80.

Bordon Chemical sent notice that its new name will now be the Formosa Plastics Corporation, Illinois.

A software program on CD was received from Operation Respond Institute giving emergency information about hazardous materials for on-scene responders. The CD was given to Springfield Fire Department for its review.

With February 26, 2002, State law and regulation changes have taken effect and recognize the LEPC as an official advisory committee to the county ESDA. LEPCs must develop the chemical response plan and determine whether area responders are properly equipped.

There being no further business, the Chair closed the meeting at 9:20 a.m., after the motion to adjourn by John Brennan, seconded by Tom Fraase. The next meeting of the LEPC will be August 8, 2002, at 8:30 a.m. at the office of the State Fire Marshal.
